We know that it can be hard to talk with your provider if your first language is not English or you are hard of hearing. We might have providers who speak or sign your language. You can ask to get services from them, or you can ask for an interpreter. Interpreters are free and available in all languages, including sign language. An interpreter can help you over the phone or be with you at your mental health or substance abuse visits. The interpreter will help you understand what your provider tells you.

What if I need help talking to you or my provider or reading what you send me?

We offer free help from interpreters who speak your language.

We can also give you written information in your language and in other formats (large print, audio, electronic, and other formats).

How quickly can I be seen?

If you need emergency care you will be seen right away. (*See Emergency Services, Section 8*). We will give you urgent care for conditions that need to be taken care of right away, but that are not emergencies. If you need urgent care, we will see you within 5 *working days*. If you do not have an urgent need for care, we will see you within 15 *working days*. If your condition changes and you think you need to be seen sooner, please call WHS at 801-625-3700 or toll free at 844-625-3700. We will talk about your needs again.

Where do I go for mental health or substance abuse services?

Our offices are located at 237 26th Street in Ogden.

Section 7: Choosing Providers

Can I choose my provider?

Yes, you can talk to us at any time about the provider you would like to see. Call WHS at 801-625-3700 or toll free at 844-625-3700.

Can I get mental health or substance abuse services from someone outside WHS?

In some situations, you can go to a provider outside of WHS. You and the provider must get approval before you get services outside WHS. You do not need approval before you get emergency services. (*See Section 8 for Emergency Services.*) For more information, call us and ask for the Compliance Supervisor.

When will I be told if I can see someone outside WHS?

If the provider has a written agreement with WHS, we can usually decide within 14 calendar days after you ask. Sometimes, we need more time to make a decision. We will let you know about this in writing. If we need to take more time, you can file a grievance if you are unhappy about this. If you or your provider wants us to take more time making the decision, let us know.

If you, or your provider, think it is important to make a decision quickly and we agree, we will try and make a decision in 3 working days. We will give you our decision in writing and also let the provider know what our decision is.

If the provider does not have a written agreement with WHS, we will always make a decision within 14 calendar days.

Section 8: Emergency Services

What is an emergency?

- When you think your life is in danger;
- When you believe you might harm yourself or others;
- When your safety or others' safety is at risk.

What are emergency services?

These are mental health or substance abuse services given to treat your emergency.

How do I get emergency services?

WHS has 24-hour emergency services seven days a week. You can call any time to talk with a crisis worker.

To get emergency care day or night from WHS, call WHS at 801-625-3700 or toll free at 844-625-3700. We will help you with your emergency, and direct you to a treatment location if needed. If you don't want to call first, you can come right away to our outpatient clinic between 8 a.m. and 5 p.m. and talk to a crisis worker.

Day or night, you can go to the nearest hospital for emergency care. Even if you are out of town, go to the nearest hospital emergency room. You do not need approval from WHS before you get emergency services.

Section 9: Mental Health Care in a Hospital

How do I get mental health care in a hospital?

Mental health care in a hospital after an **emergency** is usually called post-stabilization care services.

WHS uses McKay-Dee Hospital for mental health care in a hospital. It is located at 4401 Harrison Boulevard in Ogden. WHS must pre-approve your admission for mental health care in a hospital.

If a hospital other than McKay-Dee treats your emergency and wants to admit you, the hospital **MUST** call WHS at 801-625-3700 or toll free at 844-625-3700 to ask for approval. It's important to let the hospital know WHS is your Medicaid mental health provider so they can call us if they want to admit you. We might have you stay at that hospital or we might transfer you to our hospital.

Section 10: Payment for Services

Hospital Emergency Room Services

Will I have to pay for emergency services?

You will not have to pay for emergency services in a hospital emergency room. However, there is a co-payment if you use the emergency room when it is not an emergency.

Mental Health Care in a Hospital

Will I ever have to pay for mental health care in a hospital?

You will not have to pay for mental health care in a hospital if you are:

- On Medicaid under the CHEC program
- Living in a nursing home
- American Indian/Alaska Native
- Getting hospice care
- On Medicaid under the Medicaid Cancer program
- On Medicaid due to being pregnant

If you are not in one of these groups, the hospital can charge you \$75 for each hospital stay. Hospitals cannot charge more than the co-payment.

Outpatient Mental Health and Substance Abuse Services

Will I even have to pay for outpatient mental health or substance abuse services?

Non-Emergency Outpatient Services

You might have to pay your provider for a **non-emergency** outpatient service if:

- You get a service that is not covered by WHS or Medicaid; or
- You get a service that is not pre-approved by WHS (the provider or you tried to get approval but WHS denied the request or approved less than was asked for); or
- You do not go to a WHS provider.

If any of the above happens, your provider might ask you to pay for the service. You should only be billed for the service if all four things below are met:

- The provider has a written policy for billing all patients for services that are not covered, not just Medicaid patients;
- The provider tells you before you get the service that you will have to pay for the service;
- You agree to pay for the service; and
- There is a written agreement signed by you and the provider that says what the service is and how much you will have to pay.

NOTE: If WHS did not approve a service you or your provider asked for, you can appeal this decision with WHS before you agree to pay for the service. Section 13, “**How to file an appeal,**” explains how to appeal.

You might also have to pay your provider for a service if:

- You ask for and keep getting services during an appeal or a Medicaid Fair Hearing. You would only have to pay if the appeal or Medicaid Fair Hearing decision is not in your favor.
- You are not on Medicaid when you get the service.

Emergency Outpatient Services

You will not have to pay for emergency outpatient services.

Ambulance Services for Emergency Care

Will I have to pay for ambulance services for emergency care?

No. You will not have to pay for the ambulance.

Section 11: Client Rights and Responsibilities

What are my rights as a client?

As a client, you have the right to:

- Receive mental health and substance abuse services regardless of your age, race, color, national origin, ancestry, creed or religion, disability, sex, political affiliation, or any other designation stipulated by applicable state and national law. - Get a copy of your medical records and to ask that it be amended or corrected, when allowed by federal law; and
- Get mental health or substance abuse covered services in the amount you need and when you need them.
- Be able to exercise these rights and not be treated badly if I do.

What are my responsibilities as a client?

- Keep your appointments and be on time.
- If you need to cancel an appointment, call the provider 24 hours in advance.
- Be involved in your treatment plan and care.
- Tell WHS and your Medicaid eligibility worker of changes in your address, phone number, or insurance.
- Complete surveys about the services WHS has given you.
- Respect the property, comfort, and confidentiality of clients

and staff, and

- Notify your treatment provider when you want to stop getting services.

Section 12: What are actions?

Actions are when WHS:

- Denies (turns down) or approves fewer services than you wanted;
- Denies payment for a service that you might have to pay for;
- Does not offer your first appointment within the required amount of time for emergency, urgent, or non-urgent care and you are not happy with this. (See *Getting Mental Health and Substance Abuse Services*, page 7);
- Does not settle an appeal or grievance you have with us as soon as we are supposed to;
- Does not make a decision about getting services you have asked for from a subcontractor as soon as we are supposed to; or
- Your provider reduces or stops a service previously approved. If you agree with the change, it is not an action. It is only an action if you tell us you don't want the change.

How will I know if WHS is taking an action?

We will send you a letter called an Adverse Benefit Determination. You will have the right to appeal if you disagree with our action.

Section 13: Appeals

What is an appeal?

An appeal is when you ask WHS to review our action to see if we made the best decision.

Who can file an appeal?

You, your legally authorized representative, or your provider, can file the appeal. If your provider files the appeal, you must give your written consent.

When do I have to file an appeal?

Your Adverse Benefit Determination letter will give complete information on the appeal process, including how soon you must tell us you want to appeal the action. In most situations, you must tell us you want to file an appeal within 60 days from the date on the Adverse Benefit Determination letter.

How do I file an appeal?

The Adverse Benefit Determination letter will tell you how to file an appeal. If you need help filing your appeal, call 801-625-3700 or toll free at 844-625-3700 and ask for the Compliance Supervisor.

Can I keep getting services if I file an appeal?

If our action was to reduce or stop services we had previously approved you need to tell us if you want to keep getting those services. If you file your appeal in the time frame required and you ask that those services be continued, we will keep giving you these services. You might have to pay for the services if the appeal decision is not in your favor. If you are appealing any other kind of action and have questions about services during your appeal, call WHS at 801-625-3700 or toll free at 844-625-3700 and ask for the Compliance Supervisor.

When will WHS tell me the decision on my appeal?

Usually, we will give you a written decision within 30 calendar days after we get your appeal. Sometimes, we need more time to make the decision. If we need more time, we will let you know in writing. Also, you might want us to take more time for some reason. If so, let us know. When you, your provider, or we think it's important to make a decision on your appeal quickly, we will usually make a decision within 72 hours.

Section 14: Medicaid Fair Hearings

What can I do if I am unhappy with the appeal decision?

If you are unhappy with our decision on your appeal, or we cannot make a decision on your appeal as soon as Medicaid wants us to, this is what you can do:

You, your legally authorized representative, or your provider can ask for a fair hearing with Medicaid. In our appeal decision letter, we will tell you that you can ask for a fair hearing. The letter will tell you how and when to ask for the fair hearing. We will also give you the fair hearing request form to send to Medicaid. You must ask for a fair hearing in writing using the form we give you.

If you have questions or need helping filling out the form, call our Compliance Supervisor at 801-625-3700 or toll free at 844-625-3700.

At a fair hearing, you can speak for yourself, or you can have a relative, friend, lawyer, or anyone else speak for you. Before and during the fair hearing, you, and any person helping you, can present documents. Also, you, and any person helping you, can look at all of the records that will be used at the fair hearing.

Can I keep getting my services if I ask for a Medicaid Fair Hearing?

If the fair hearing is about our decision to reduce or stop services we have previously approved, you need to check the box on the fair hearing form asking that the services continue. If you request a fair hearing in the required timeframe and ask that WHS keep giving you services, we will continue to give you services. You might have to pay for these services if the fair hearing decision is not in your favor. If the fair hearing is about any other kind of action, you can discuss your services during the fair hearing.

Section 15: Complaints/Grievances

What if I have a complaint about WHS or my provider?

If you have a complaint about anything other than an action, this is called a Grievance. Examples of grievances are complaints about the quality of care or services given to you, rudeness of a provider, or a provider not respecting your rights.

Who can file a grievance?

You, your legally authorized representative or your provider can file a grievance.

How do I file a grievance?

- You can talk to your provider or WHS staff about your grievance; or
- You can call the Customer Care Manager at 801-625-3700 or toll free at 844-625-3700 and tell the Customer Care Manager you want to file a grievance; or
- You can give it to us in writing. Give it to your provider or any staff member, or mail it to:

Weber Human Services
Customer Care Manager
237 27th Street

If you don't want to talk to us about your grievance, you can call Medicaid on weekdays toll-free at 1-877-291-5583.

What if I have questions or need help filing my grievance?

Call the Customer Care Manager at 801-625-3700 or toll free at 844-625-3700.

When will WHS tell me the decision on my grievance?

We will give you a decision within 90 calendar days after we get your grievance. Sometimes we need more time to make the decision. If we need more time, we will let you know about this in writing. Once we make a decision, we will either talk to you about our decision on your grievance, or we will send you a letter.

Section 16: Advance Health Care Directives

What if I am ill and can't make health care decisions?

An Advanced Health Care Directive is a legal document. In it you give permission to someone else to make health care decisions for you if you can't do it yourself. You can give another person specific instructions about decisions for your health care. This will allow you more control over your care.

Once you have filled out the Advance Health Care Directive form, be sure to give a copy to all of your health care providers. You should also keep a copy and give one to your family members. If you would like the form or need more information please call WHS at 801-625-3700 or toll free at 844-625-3700, or talk to your provider or case manager. If you have an Advance Directive and there is a problem with it being followed, call the Utah survey and certification agency at 801-538-6158 or toll-free at 1-800-662-4157.

Section 17: Privacy

Who can read or get copies of my medical record?

WHS follows federal laws about privacy of your mental health and substance abuse record. WHS does not use or share your protected health information except as federal law allows. When allowed by federal law, only the minimum necessary information is shared. We will talk to you about privacy when you first come to WHS or your provider.

Section 18: WHS Operations

What if I want to know more about how WHS is set up and works?

We will answer any questions you have about how we are set up, including questions about our grievance system, billing practices, confidentiality policy, and how we choose providers and what is required of them. If you ask, we will give you a copy of our Preferred Practice Guidelines for mental health and substance abuse services. Call WHS at 801-625-3700 or toll free at 844-625-3700.
